PUBLIC ACCOUNTANT AND PUBLIC ACCOUNTING FIRM PROFILE

PwC Indonesia Profile

PwC (www.pwc.com/id) provides industry-focused assurance, tax and legal, advisory and consulting services to build public trust and enhance value for its clients and their stakeholders.

PwC in Indonesia

PwC Indonesia ('PwC') consists of more than 3,600 employees, including more than 88 partners and advisors. Today, the services offered by PwC are adding value in virtually every industry and sectors in the country.

PwC has played an integral part in the growth and progress of Indonesia since 1971 having worked with our clients to help them succeed through both buoyant and challenging economic times.

Today PwC continues to work with large multinationals, public sector entities and Indonesian companies, providing solutions to complex business issues.

PwC's services are rendered through separate legal entities focusing on different aspects of the service offerings we provide, each of which draw on the collective resources and experience of PwC firms, both here and worldwide.

364,000 people in 151 countries in all our network share thoughts, experience and solution to develop new perspective and practical recommendation.

“Best auditor expat. The team understands our company and always promptly update new accounting standards and effects to our company.”
